Dear Christians of Kandel

RE; REPORT ABOUT KITANA PARISH- IN THE SECOND COVID-19 TOTAL LOCKDOWN

I write to you to say thank you for all the assistance you have sent to us Kitana Parish during this second wave of the Pandemic, we are very grateful for having made us survive up to date, May the good Lord bless you so much. Kitana Parish which has 3 priests, 7 house, farm and garden workers, with a total of around 45000 Christians; Since the total lockdown was declared in Uganda, life has not been so easy here, we cannot see the Christians in their Sub Parishes, and everyone was locked up where he/she was by the time of Lockdown, by now the number of death have reduced. We Thank God for a gift of our Friendship with Kandel community, we can't forget Fr. Stanislaus, who has mobilized the community with Thomas, Josef, Doris, Dieter to mention but a few, may the good Lord bless you for us.

Majority of the Christians with in this Parish are Refugees from Congo, South Sudan and are Peasants they do Fishing too but they we stopped from fishing due to covid-19, and the weather for farming has not been good, so the main challenge people have is hunger, I have tried to provide a few people with food (Beans and Maize flour) which I got from my gardens, it is all finished, and people keep coming to the Parish to look for assistance, we Pray to God for more Protection and support from people of good will like you.

Yours in Service
